

Bespoke Barbers
Terms and Conditions for Models Attending Workshops

1. All workshops are provided by Bespoke Barbers and Bartolo Academy. In these terms and conditions Bespoke Barbers is referred to as “Bespoke”, “us” or “we”.
2. All services provided by Bespoke to workshop models are free of charge unless otherwise stated.
3. As this is a learning environment, services will most likely take longer than normal, we advise models to **allow one hour** for your haircut or shave.
4. Our workshops will often require a certain existing hairstyle or minimum length of hair in order to deliver the training. Every effort is made to establish this prior to booking in a model, however, we reserve the right to decline to continue the consultation/service with you if your current hairstyle/length does not suit our learning outcome.
5. We reserve the right to refuse to continue with a consultation/service if we feel that scalp, hair or skin conditions prevent us from doing so, due to health and safety concerns.
6. Bespoke reserve the right to change these Terms and Conditions at any time. If this occurs, the new Terms and Conditions will be published on the Bespoke website at the earliest opportunity.
